

Know When To Hold'Em

Going “all in” to the tech industry

The Boring Stuff

Who does this guy think he is?

Software Engineer/Data Guy/"Captain" (In that order)

Graduated Spring 2009; Joined BoomTown Early 2011

Engineer #7 (Not that I'm counting)

Within 5 years has done interviews from both sides of the table

No Sales Pitch

3 YEARS STRONG

You are not an imposter.

Let your nerd flag fly.

Passion and potential count!

Show, don't tell

Your work can light the way.

On the Shoulders of Giants

If you are the smartest person in the room,
you're in the wrong room!

Do the hustle

It's your ace in the hole.

Don't Spray and Pray

If you don't care, don't expect them to

Prioritize Growth

It's getting you set up to play the big hand.

Thanks!
